The Norge coaching team continues to monitor guidelines and guidance from CDC, State of IL, McHenry County Department of Health and USA Nordic. Athletes, coaches, families and friends are asked to use common sense safety guidelines:

- Wash your hands regularly. Bring and use hand sanitizer.
- Waxing tables will be available outside, so bring clamps and gear to prep skis.

Let's keep everyone safe and healthy.

Mandatory USSA/FIS Helmet Requirements for all Sanctioned Competitions*

Crash Helmets   (*FIS - Specifications for Competition Equipment Edition 2023/24)

The use of crash helmets is compulsory for all events. The shape of the helmet must conform to the shape of the head. The distance measured at any point between the outside surface of the helmet and the head shall not exceed 7 cm.
It is not allowed to attach anything to the helmet surface incl. cameras and holding/fixing systems, unless approved by FIS Race Director / Coordinator. The crash helmets used for international FIS competitions shall comply with the standards applicable for crash helmets for Alpine ski competitions (crash helmets to be used in Ski Jumping).

Compliance with the standards is to be attested by the corresponding specific standardized conformity label affixed in a non-removable way at the back of the helmet in a location which is and shall remain visible. The label shall in particular not be covered by the goggle strap. The conformity label (Label "RH2013") confirming compliance with the standard applicable to helmets to be used for international FIS competitions is shown in attachment. The labels affixed by manufacturers shall comply with the specifications set forth in the enclosure below:

Label attesting conformity with FIS specifications for Alpine racing helmets (GS/SG/DH):
